Dear Gary,

When I'm better I'll explain further, if you so desire.

Would you please ask one of your boys to copy from Moody's Bank and Finance Manual, 1963, the listing for Bloomfield Building Industries, Ltd? I'd like two Xeroxes, one for me and one for someone in N.O, who is helping me. That issue is missing from the N.O, Public Library.

Many tnanks,

Harold Weisberg
